

Tuesday 1 March

7:00 pm

as part of the Celtic Music Night Series led by David Brewer of Molly's Revenge

St Andrew Presbyterian Church

9850 Monroe Avenue, Aptos

The Peninsula Scottish Fiddlers and the Peat-Fire Flame will play Scottish reels, strathspeys, jigs, waltzes, and airs, and a few tunes from Wales and America as well.

After the concert the audience is invited to bring up their instruments and join in a session.

Admission is free; an offering will be taken.

NOTE: This concert will benefit David Brewer's Instrument Replacement Fund.

He is one of the Bay area's foremost performers and teachers of Celtic music, playing seven different instruments masterfully. Sadly, last fall most of his instrument collection was stolen.

So, come, enjoy the concert, be generous, and play with us afterward! :^)
